

BIG TIME POKER LEAGUE

The Big Time Poker National Final was held at Grosvenor Casino, Walsall on Saturday 25th July.

All the qualifiers turned up to battle it out to become the champion and win the £5000 prize.

Finishing in 10th was Joanne Ryan of New Bilton Conservative Club in Rugby, who was more excited about winning the trophy than the £100 cash prize she received!

With prizes for all the final table each player was happy to have made it that far, but there could be only one winner. Richard Jason Kisby of Stax in Leicester just pipped Andrew Williams of the Nesbitt Arms, Stafford to claim the title.

Richard had Qd Jh against Andrew's Q 7 suited going into the final hand with Richard only just having the higher chip stack. The flop delivered 2s 8s 4s, then came the turn with 6h, so Andrew had the chance of a straight. But the river shattered Andrew's chances by bringing 3d giving Richard the win.
